PROFESSIONAL SUMMARY

Results-driven Flutter Developer with **1+ year of hands-on experience** building high-performance, scalable, and visually appealing cross-platform mobile applications. Proficient in Dart, Flutter, and REST API integration, with a strong focus on clean UI/UX and responsive design. Experienced in delivering real-world client projects and managing full app development lifecycle independently. Currently seeking an opportunity to contribute technical expertise and grow within a professional development team.

PROFESSIONAL EXPERIENCE

Crystal Solutions
Flutter Developer

Apr 2025 – Present

- Developed and maintained cross-platform mobile applications using Flutter & Dart.
- Designed pixel-perfect, responsive UI for Android & iOS.
- Integrated REST APIs and managed application state efficiently.
- Collaborated using Git & GitHub for version control.
- Delivered applications for real clients: Afzal Corporation, Pizza Twins, Lahore Centre.

Freelance / Self-Initiated
Flutter Developer

2025 – Present

- Built and deployed multiple mobile applications independently.
- Managed complete lifecycle: design → development → testing.
- Focused on UI/UX improvement and performance optimization.

INTERNSHIPS

Flutter Developer Intern

6 Months

- Developed applications using Flutter & Dart under professional mentorship.
- Worked on UI design, API integration, and performance optimization.
- Gained experience in real-world development workflows.

Python Developer Intern

4 Months

- Developed automation scripts and backend logic.
- Applied clean coding practices to solve real-world problems.

KEY PROJECTS
